Property Description

Lo and behold! This, ladies and gentlemen is a state of the art 2 bedroom penthouse with a terrace beyond the ordinary. 178 sqm outdoor space with jacuzzi and breathtaking, panoramic views overlooking Links golf course and the Mediterranean sea. Mind you, the views are unobstructed since this penthouse is in pole position in the front of the urbanisation.

Two good sized bedrooms and two bathrooms (one with shower and the other with a tub) , not one but two underground parking spaces and naturally there is a storage room as well.

This is one of those properties where you feel at home as soon as you enter through the front door. Large glass doors surrounding the penthouse so plenty of light..... and sun for that matter, should you be a sun worshipper and aren't we all?

Two communal pools inside this gated community, but the beautiful beach with the Rock of Gibraltar in the background is not far away. This is one of those penthouses you would sacrifice a finger or two for, so waste no time - contact us for a viewing, before it is gone.
